

A final round of the 2017 **Wednesday Webinar Series**

Expanded Edition for December 2017

Some **Wednesdays** from **12:00pm – 1:00pm** MST

And some **Fridays** from **12:00-1:00pm or 3:00pm-4:00pm** MST

Webinar 1: Friday, December 1, 2017, 12-1pm IECC – Paths to Compliance: This session takes a look at the flexibility and options built into the International Energy Conservation Code as well as the various paths of compliance that can be taken and what type of documentation is needed for each path. We will look at how COMcheck, REScheck, ASHRAE 90.1, Energy Raters, compliance software and the "Mandatory" items of the code are affected or put into play depending on the path you choose. (Presenter: Shaunna Mozingo, CCC)
