

GARFIELD CLEAN ENERGY COLLABORATIVE
RESOLUTION NO. 3
SERIES of 2015

**RECOGNIZING SIX YEARS OF DEDICATED SERVICE AND LEADERSHIP
FOR GARFIELD CLEAN ENERGY BY BOARD MEMBER DAVID STURGES**

WHEREAS, David Sturges represented the City of Glenwood Springs as a founding board member of the Garfield New Energy Communities Initiative from 2009 through 2011, and was a founding board member of the Garfield Clean Energy Collaborative from 2012 to 2015; and

WHEREAS, David Sturges has served as the institutional historian for Garfield Clean Energy, providing valuable context about the purpose and accomplishments of the organization for fellow members of the board; and

WHEREAS, David Sturges and his wife, Linda, personally embraced the concept of residential energy efficiency – a key tenet in the Garfield Clean Energy mission – by working with local contractors to have attic insulation, exterior stucco and energy-efficient windows installed at their home; and

WHEREAS, David Sturges has devoted countless hours in meetings, conversations and events in support of Garfield Clean Energy and its mission in Glenwood Springs and Garfield County.

NOW, THEREFORE, BE IT RESOLVED BY THE BOARD OF DIRECTORS OF THE GARFIELD CLEAN ENERGY COLLABORATIVE, THAT:

1. David Sturges is recognized for his more than six years of service to the Garfield New Energy Communities Initiative and Garfield Clean Energy, and the Board of Directors hereby expresses its thanks and gratitude for his enthusiastic service.
2. The Board of Directors hereby declares that Earth Day, April 22, 2015, shall be called “David Sturges Earth Day,” and shall be so noted on the Garfield Clean Energy website and in the Clean Energy Economy News.

THIS RESOLUTION was read, passed and adopted by the Board of Directors of the Garfield Clean Energy Collaborative at the Regular Meeting held this 8th day of April, 2015.
