* As of 4/17/20, Glenwood Springs suspended all rebates, but customers may still qualify for these discounts through MEAN (Municipal Energy Agency of Nebraska). ** Rebates from CORE (the Community Office for Resource Efficiency) are available to households from Aspen to Glenwood Springs. 1. Home energy assessment required. Contact us to schedule an assessment at the discounted rate of \$100. 2. All-electric homes only.

We try our best to keep this chart up to date, but rebates are subject to change without notice. 4/28/20
