The Fine Print About Rebates

Funding is limited and available on a first come basis. Advance enrollment is required for all commercial and solar customers. Secure your rebate before starting your project.

Energy efficiency upgrades and solar PV installations must meet program standards in order to qualify for rebates. Contact CLEER for details.

Additional rebates are available from other sources.

Contact CLEER for details.

For additional information, contact CLEER at (970) 704-9200 or info@cleanenergyeconomy.net. To apply for rebates, visit www.GarfieldCleanEnergy.org/gws-rebate-form.
