CITY OF GLENWOOD SPRINGS COLORADO

Glenwood Springs Electric customers: funding for energy measures

Residential customer rebates

Air sealing or insulation	50% up to $500 (up to $1,000 for all-electric homes)
Air-source heat pump or mini-split system*	50% up to $2,000
Heat pump water heater	50% up to $1,000
Energy Star-rated refrigerator, dishwasher or clothes washer	$50-$100
Programmable thermostat**	$50
Custom rebate	Up to $1,000
Commercial energy upgrades	*Contact GCE for a free consultation*

* For heating and cooling. ** All-electric homes only.

Residential rebates may be combined up to a total of $3,000 per year. An additional "bundle" rebate of $500-$1,000 is available when combining certain projects if they are all completed within the same 90-day timeframe.

Download the full program guidelines at Garfield-CleanEnergy.org/gwse-rebates.

Additional rebates from MEAN

(Glenwood Springs Electric's wholesale provider)

Heat pump	$400-$1,200
Residential attic insulation	Up to $300
Residential smart thermostat	$25-100
Residential cooling tuneup	$30
Commercial LED lighting	Up to $2,500

CORE (Community Office for Resource Efficiency) rebates

Energy-efficiency projects	50% up to $2,500
Electrification projects	50% up to $7,500
Funding caps are doubled for local essential workers and income-qualified residents	

Additional financial aid based on income

Households earning less than 150% of the Area Median Income may qualify for additional aid for energy measures through one or more of the following programs. Please contact Garfield Clean Energy to determine your eligibility.

(Note: these programs are currently impacted by the federal funding freeze.)

ReEnergize Garfield County	Up to 100% of recommended measures
Energy Smart Colorado	Weatherization projects: 75% up to $2,000
Home Electrification and Appliance Rebates (HEAR) program	Heat pumps, electrification and associated electrical work: 100% up to $14,000

Residential customers: Start with a home energy assessment to prioritize measures and unlock rebates. Schedule your assessment at the GCE website.

For free energy coaching, or to apply for these and other rebates, visit www.GarfieldCleanEnergy.org or call CLEER at (970) 704-9200 ext. 2. CLEER (Clean Energy Economy for the Region) manages the City of Glenwood Springs' Sustainability Program as well as the programs of Garfield Clean Energy.
